

## Wigs and Other Head Coverings

This list is provided to you for your information. The Central East Regional Cancer Program does not represent or endorse any specific business or individual identified on this list. Not every business selling wigs and other head coverings may be included on this list. The Canadian Cancer Society's Community Services Locator found at [csl.cancer.ca](https://csl.cancer.ca) can help you search for others. Your health insurance plan may provide coverage for you to buy a wig.

Call the first to see if an appointment is required.
